## **Gundaroo Public School**

Week 4, Term 4, 2019

## Don't Forget...

- ⇒ Thursday 7th November P&C Meeting, 7pm, all welcome
- ⇒ Friday 8th November Assembly
   2.20pm in the hall, item performed by
   Yr 2/3.

## Hats & Waterbottles

Well done to everyone who has remembered to be wearing their broad-brimmed hat in the playground. Most children have a hat each day which is fantastic.

Could you please make sure that children (especially those in the upper years) have a water bottle each day. With the warmer weather, we are having many children complain of headaches and feeling tired; most of which could be prevented by staying hydrated! Thank you.

#### TIN SHED BREAD LUNCH

# No Tin Shed Bread lunch this week

Tin Shed Bread will be providing lunches this term, although not every week. Lunches remain at \$5! Please make sure that if your child is having a Tin Shed Bread lunch, that you send them in with cash on the day. Continue to keep your eyes on the newsletter for the weeks when lunch is provided on Thursdays!

## **GLASSES**

If your child requires glasses for reading and doing their school work, could parents please make sure that the glasses are in their school bag each day.

# Applications for Year 7 Selective High School Placement 2021

Applications for Year 7 Selective High School Placements will be open online from 8th October to 11 November 2019.

Information can be found here <a href="https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7">https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7</a>

If you are interested in applying for your child, please let Mr Trethowan know.

#### **Education**

## Strawberries - there's more to this summertime fruit than its juicy sweetness!

- Strawberries are the only fruit that wear their seeds on the outside.
- The strawberry plant is a perennial, meaning once planted, it will come back year after year!
- The ancient Romans thought strawberries had medicincal powers, curing anything from depression, fainting, bad breath and fever!
- Strawberries are believed to help reduce the risk of heart disease. They are low in calories and high in vitamins, potassium and amino acids!

# **Kindy Orientation**

#### **BIRTHDAYS!**

Joella - 6th November Laurie - 7th November Robbie - 7th November Jade - 9th November Tayah - 12th November

#### This week's quote from your Wellbeing Captain, Jasper:

"You learn more from failure than from success. Don't let it stop you. Failure builds character"

## **SWIM SCHOOL**

You should have received the permission note for swim school commencing on the 9th Dec. Each year, the children attend an intensive swim program at the AIS. Your child will receive a 45 minute lesson with qualified, experienced instructors. This is a fantastic opportunity for your child to develop those all-important swimming and water safety skills.

We understand it is a difficult time of year for payment. Please see Liz or Jenna in the office if you would like to discuss your options.

Spare notes are in the office.

## Joining us? Leaving us?

If you know of anyone moving to the village and planning to enrol their children, or if your circumstances are changing and your child will be leaving us, please let us know.

Having this information early is greatly appreciated and helps us plan and prepare for classes for 2020.

# RIDING TO AND FROM SCHOOL

We have had complaints again about the safety of children on bikes around the village. Some of our students are not paying attention to road rules and also crossing roads without looking.

We speak to children regularly about this, but require you to follow up with your child/ren at home to ensure they know and follow correct road rules to ensure an accident doesn't happen.

## NOTES TO BE RETURNED

- ⇒ AIS Swim School Registration form ASAP
- ⇒ Swim School permission and payment

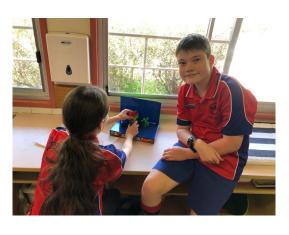

# Stikbots in 5/6

In 5/6 we have been learning to create stop motion animation videos using Stikbots.

We planned out our narratives using storyboards then used the newly painted green screens and our new Stikbot studios to film our videos.

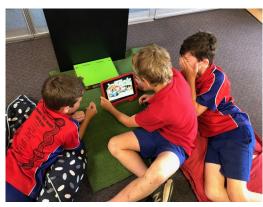

## **Gundaroo PS Term 4 2019 Calendar**
