

## Don't Forget...

- ⇒ Whole-school assembly, 14/8, 2:40pm. Sorry, no guests!
- ⇒ National Science Week, 15-23 August
- ⇒ Whole-school Assembly, 28/8, 2:40pm. Sorry, no guests!

## GOSH Parking

Could we please ask that when picking up and dropping off students from GOSH, you use the front entrance to the school. The side entrance is not a designated entry/walkway, and is unsafe, particularly during wet weather. Thank you.

## Health Heroes

Welcome back everyone, it's Sam, your Health Captain here. Each week I will try to add a section to the newsletter.

### Why Do We Do Timed Run?

1. It encourages students to improve and try their best.
2. It is a great source of exercise.
3. It is really enjoyable.
4. It helps with mental health.

## Social Distancing Reminder

Just a friendly reminder that while we are seeing some restrictions ease, we are still advised to limit the number of non-essential adults on school grounds.

This means that where possible, communication with the school or class teachers should be via phone or email and please only enter the school grounds if necessary, e.g. purchasing uniforms, collecting students early, making payments at the office etc.

Thank you for your understanding.

**Keep your distance**

# UNIFORMS

- Polar fleece with logo - \$30.00
- Hats - \$12.00

## A Crunch&Sip School

### Three reasons to eat your oranges!

1. One orange provides 130% of your daily Vitamin C needs, keeping those winter colds at bay
2. They require zero packaging
3. They are juicy and delicious

# BIRTHDAYS!

Riley W - 17th August

Sam - 18th August

Rebecca M - 18th August

# Cricket Pitch

While it's a little wet after the weekend's rain, the students have been excited to have our cricket pitch resurfaced! An initiative led by Vice -Captain Phoebe and supported by the P&C, David and Nancy Barnes from Keeping it Green (across from school) have done a wonderful job making our cricket pitch a functional and usable surface. Thank you!

This week's quote from your Wellbeing Captain, Alex:

*"Do the right thing even if no one is looking."*

# GOSH NEWS

Dear Families

We have recently reviewed our COVID-19 Risk Assessment in line with the Education and Care Directorates recommendations. To ensure that we are providing a healthy and safe environment for all at GOSH we will be implementing the following:

1. Staff will continue to sign children in and out on Parents/Guardians behalf.
2. We ask that parents please do not enter the GOSH Playroom, and drop off and collect your children at the door way.

*To ensure that we meet our obligations to the Education and Care National Law, if you can please ensure that you speak with a staff member when you deliver or collect children so that staff can acknowledge your child's arrival and departure. Please do not drop children out the front of the school or collect without notifying Staff.*

Please also continue to keep us informed if your child is going to be absent from the program, and if they are unwell let us know the nature of their illness for our Health Register.

Please also do not attend GOSH if you require under the current NSW COVID-19 Restrictions to Self Isolate.

To Avoid An Accident.....

Please enter the school from the front entry to deliver and collect your children, this entrance has foot paths and lighting. The side entrance behind GOSH has uneven ground and is poorly lit at night. Staff will ensure that the side gate is closed throughout each session.
