

# Newsletter Term 2 Week 10

## Principal's Report

Dear families,  
Welcome to Week 10.

It has been a busy term, and the fun doesn't stop yet. Students spent today in their peer support groups engaging in mini Olympic activities. Today was imagined, organised and led by our events captains Erin and Ash to raise money for Ronald McDonald House.

Tonight Rohan is representing us in the Rostrum Public Speaking quarter final in Yass. We wish him the best of luck, although we know his fantastic speech will be enjoyed by his audience in Yass as much as it was in Gundaroo.

On Thursday the garden will get a lot of work done as Bunnings come to spend the day and work with the students in the garden for the day. Thank you to Miss Scott and Mrs Benson for their work arranging this.

And finally, we say a huge thank you to Mr Northey who stepped in this term to relieve as Assistant Principal and to teach 4/5/6. It has been wonderful having him as a part of our team and we wish him great success in his new role at Forbes.

I hope you all have a safe and restful break.

Bec Harris

## COVID Guidelines

A range of COVID restrictions continue to impact our normal practices.

***Student illness and absences:***

Students who are unwell with even the mildest symptoms should stay at home until symptoms clear. If a student develops symptoms while at school, parents or carers will be called to collect the student.

Students with flu-like symptoms are not return to school until they have received a negative COVID-19 test result which is received and sighted by the school. Flu-like symptoms include:

- fever (37.5 or higher)
- cough
- sore throat
- shortness of breath (difficulty breathing)
- runny nose
- loss of taste
- loss of smell.

*It is important that you inform the office of the nature of an absence. If a student is sick, we ask that you inform the office of details of the symptoms the child has.*

***Parents and carers on school site***

Parents and carers are now allowed on school site where necessary. Parents and carers are also now allowed to attend school assemblies and other school events, however must adhere to physical distancing and hygiene guidelines.

All visitors to a school site must comply with sign-in arrangements. This includes the requirement to sign the school sign in sheet where they acknowledge that they will comply with the COVID-19 requirements for visitors each time they visit.

Visitors must also check in using the Service NSW QR code.

## Uniform

Wearing a uniform promotes a sense of belonging for students and creates a positive identity for the school community. School uniforms also contribute to the personal safety of students by allowing easier recognition of students inside the school and in the community.

At Gundaroo, we strongly encourage all students to wear neat and tidy full school uniform at all times. We aim to make the wearing of our school uniform accessible to all by offering a second-hand clothing pool and keeping the purchase price of new school uniforms at wholesale price.

You can call in at any time to purchase uniform items for your child, or alternatively, pay online and arrange to have items delivered to your child in class.

\*\* We are currently awaiting an order on some uniforms. Please check with Liz if the items you require are available.
